**RE: Chisholm Institute 's Invitation in November 2023**

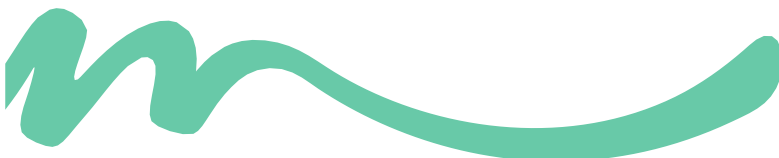

Dear President LI

On behalf of Chisholm Institute, I would like to extend a warm invitation to you and your team at Shandong Women's University to visit us at our campus in Melbourne, Australia to participate in our joint program management meetings and tour our campus facilities in November 2023.

Shandong Women's University has been an established and close partner to Chisholm Institute; our educational cooperation to jointly deliver our Diploma of Accounting program at the college has been in operation since 2006. This program has provided a significant number of professional and internationally qualified trained graduates with exceptional skills entry into the finance industry over these many years.

Chisholm Institute, as one of the largest government vocational education and training providers in Victoria, Australia, remains fully committed to working closely with its international partners, and to providing our partner institutions and students with high-quality Australian vocational training and relevant industry training.

As the key leaders of our joint program from Shandong Women's University in charge of project management and ensuring the quality and professional services of the program at your college, we would sincerely like to invite the following members of Shandong Women's University to visit us in November this year.

	Name	Gender	Date of Birth	Title
1	Guang-hong LI	Female	07 JAN,1967	President
2	Hong-feng SUN	Male	22 JAN,1975	Dean, School of Information and Computer Technology
3	Yun-peng LI	Male	18 MAR,1975	Director, International Office
4	Xiao-xiao KONG	Female	21 DEC,1980	Vice Dean, School of Accounting
5	Zi-yun YU	Female	8 SEP,1970	Director, Office of Cooperation and Development

Due to the epidemic outbreak beginning in 2020, the joint project management team from our two institutions have not been able to carry out institutional visits as was previously regularly scheduled; these visits allow for close academic discussion and activities and have been greatly missed.

As we now invite the management team of Shandong Women's University to visit our Chisholm Institute in Australia in November we sincerely hope that you are able to accept this invitation and join us at that time. This will provide good opportunity for face-to-face and in-depth discussions regarding our future cooperation and enhance our collaboration in meeting the specific and emerging needs in the industry sector, including more teacher training and teacher exchange visit programs.

We advise that all the expenses involved for the above visit in Australia (including the whole delegation's accommodation and transportation) shall be borne by Shandong Women's University itself.

We look forward to the visit of Shandong Women's University's delegation. We would be grateful to the relevant authorities who may assist and approve the intended visit. Should you need any further information from us, please feel free to contact Ms Molly Liu, our Regional Manager at [molly.liu@chisholm.edu.au](mailto:molly.liu@chisholm.edu.au) at any time.

Yours sincerely

**Stephen Varty**  
**Chief Executive Officer**  
**Chisholm Institute**
